Student Club Activities

There are three student club activities that are taught by professional MJU students. Taekwondo (Korean martial arts), K-POP Dance (modern Korean pop music) and Korean Calligraphy Writing. At the end of the program, students will have a chance to share with their friends what they've learned through performances.

Korean Language Courses

Students benefit from the Korean language courses offered at MJU based on their individual needs, and the curriculum includes speaking (practice in conversation), listening, reading and writing. Students will be placed in different levels depending on their placement test results. Students are not required to know Korean. Curiosity is enough to learn.
